

TAPASYA
COLLEGE OF COMMERCE & MANAGEMENT

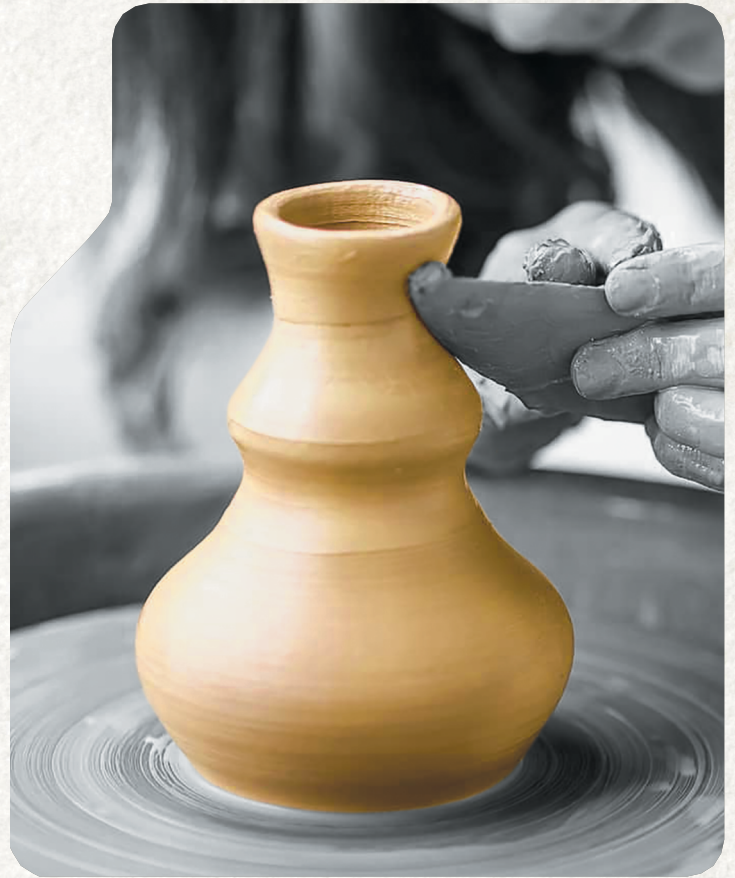

NURTURING AMBITIOUS
BUSINESS LEADERS

BELONG TO 'MISSION TRANSFORMATION'.

The world of business is no longer what it was a few years ago. With digitalization, has come a change that has had its impact not only just on lifestyle, but also on the realms of Business and Commerce as well. Terms like 'startup', 'investor', 'entrepreneurship', 'funding', 'pitch', etc. all are being used in every day conversations.

While there are businesses that are rising, many are also witnessing a downward tangent and even closure. So, what the world needs is an army of business leaders that is bold, brave and ready for any hurdle ahead. At Tapasya, we have welcomed the onus of preparing such leaders for the business transformation of the future.

“Tapasya is your launchpad to global podium”.

“It's been an amazing 13 years and along the journey, we have seen the world of business undergo immense changes. There have been different milestones at different steps. While digital media and e-commerce have taken the world by storm, the COVID-19 pandemic brought progress to a standstill. Now, startups, entrepreneurship and innovation have come to be the words the world speaks today. This has opened up avenues for many, and that's where Tapasya is all set to groom the youngsters for the realm of business and commerce that will be ahead.

Today, Tapasya College of Commerce and Management (TCCM) occupies a place of pride, respect and aspiration for those who seek to gain their education in Commerce and Management.

As we look forward to another year, I'm delighted to welcome you to Tapasya to be your partner for success. “Come, make Tapasya your launchpad to global success”.

Congratulations...

The visual impairment was an impediment preventing them from becoming what they wanted to, but not for 3 students who completed their Intermediate in CEC group at Tapasya Educational Institutes and aspiring to take a 5 years integrated degree program. They had made it to the list of successful candidates under VH (Visually Handicapped) category who appeared for "University of Hyderabad" national wide entrance examination held in September 2020.

The students are coached by Bank of America Volunteers who verbalized the topics such as Reasoning Ability, Quantitative Aptitude, Language & Comprehension and General Awareness studies which are required to crack the competitive exam. The classes were in audio records and made them available for students to re-use them during the period. A team of 9 volunteers have spent two hours a day for about two months in teaching variety of methods to impart required skills to Ajith, Harish & Ballellu, who successfully have scored good ranks in the entrance examination. We are always thankful for such volunteers like you. Thank you so much for your enthusiasm, genuine interest and dedication in assisting students. All the best for achievers.
