# Graduation Courses for Academic Year 2022-23

## B.Com

Bachelor of Commerce or B.Com is one of the most popular disciplines of education sought after by many students. A 3-year degree course, B. Com. not only acquaints its learners with general business principles but also exposes them to other aspects of business such as accounting, finance, economics, business management, marketing and information technology. Hence, B. Com is the best choice of study for a promising student.

## BBA

A 3-year undergraduate degree in business, Bachelor of Business Administration (BBA) is one of the most popular courses among bright students. Although BBA is open for students from all three streams, commerce, science and art, pursuing BBA after commerce gives a competitive edge and paves the way for a successful career.

## B.Com Groups

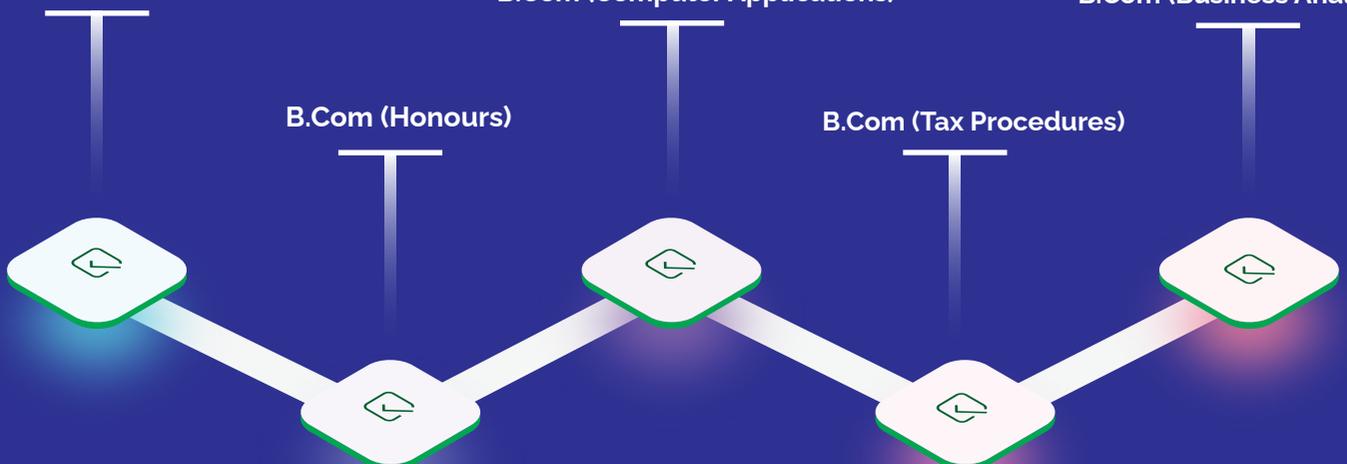

B.Com (General)

B.Com (Computer Applications)

B.Com (Business Analytics)

B.Com (Honours)

B.Com (Tax Procedures)

## Integrated Courses with Graduation

### CHARTERED ACCOUNTANT (CA)

Recognized as one of the best career choices for commerce students, chartered accountancy is pretty much popular among commerce students. Auditing, taxation and financial management are areas of business and finance where chartered accountants work and students can have a remarkable career as Chartered Accountants.

### COST AND MANAGEMENT ACCOUNTING (CMA)

Cost and Management Accounting (CMA) is another popular choice for commerce students. This professional course aims at giving students expertise in the area of profitability analysis, planning, budgeting and finance besides management of accounts, costing performance, risk strategy, etc.
